Master of Science in Nursing Program (MSN)

Speciality | Adult Health Nursing

**RAK Medical & Health
Sciences University**

Master of Science in Nursing (MSN) Degree Program:

Speciality-Adult Health Nursing

To fulfill the ever-growing need of nursing profession, RAK College of Nursing at RAK Medical & Health Sciences University, started the Master of Science in Nursing program (MSN).

This unique & dynamic program is based on the National league of Nursing core values of caring, integrity, diversity, and excellence derived from the Educational Competencies Model (2010), which calls for graduates of nursing programs to be prepared to: a) promote and enhance human flourishing for patients, families, communities, and themselves; b) show sound nursing judgment; c) continually develop their professional identity; and d) maintain a spirit of inquiry as they move into the world of nursing practice and beyond

Get your degree which is accepted internationally:

With four semesters in two year MSN program lets you earn your graduate MSN - Adult Health Nursing degree. We offer a flexible schedule so nurses can continue working full time in the clinical practice setting while obtaining their MSN degree.

The MSN has the initial accreditation from CAA, MOHE&SR supported by well qualified and committed faculty. Students can be assured of personalized teaching and guidance.
